Session I 10:45am to 11:30am. Session II 2:00pm-2:45pm.

Reverend Mr. R. Christoph Sandoval, Deacon

Coordinator & Director of Training

Saint Joseph Healing & Deliverance Ministry for the

Archdiocese of San Francisco

Man's fall contains a "seductive voice," the voice of a fallen angel called "Satan" or the "devil." The Church teaches that Satan and other demons were created "good by God but they became evil by their own doing" (Fourth Lateran Council).

These demons made a free irrevocable choice to reject God. This rebellion is reflected in the tempter's words, **"You will be like God"** (Gen 3:5).

Having sinned from the beginning, the devil is now the **"Father of lies"** (Jn 8:44).

God's mercy toward these fallen angels is useless. Their sin is unforgivable because their choice is irrevocable. "There is no repentance for the angels, just as there is no repentance for men after death". (St. John Damascene

SIX SATANIC STRATEGIES

1. Temptation-perverse desires for things that will separate us from God's love and his protection. This includes coveting pleasure, power, prestige, sex and money. Examples include toxic attachment to pornography, alcohol, drug use and unholy company.

2. Oppression (obsession)-is an **external** diabolic assault on the Spirit, Mind or Body. Compulsions attacking the faculties of the intellect and the will (powers of the soul) may lead to hurting self and others. The "obsessed" often struggle with habitual sin and addictions.

3. Possession —Demons takes complete **internal** control of the mind and body of a person— but not the soul. Remember Satan cannot control the will. He can however assault the will with simultaneous temptation & obsession to take control.

The devil is a being that carries out dark actions . . . penetrating the world and the church. He is our enemy and enemies hide; he is an actor. Evil is not just something lacking or a privation of good but evil is a living perverted spiritual being."

Pope Paul VI

SIX SATANIC STRATEGIES

4. Infestation – contamination through a deliberate attack on a house, place of work, or a location with the use of an object or animal sacrifice consecrating the specific territory to Satan. Diabolical pollution occurs through incantations, sacrifices and ritualistic practices—and by people who employ witches, mediums, shamans and pagan practitioners to cast spells, curses and hexes. Pets and animals can be infected by demons through infestation.

5. Disturbance—is a physical assault. Beatings and maulings have been commonplace among many of our Saints, Blessed and Venerables. Padre Pio was scourged with heavy chains, leaving him bruised and bleeding and his bed was set afire.

6. Vexation-like in the Story of Job in Holy Scripture the Evil One may attack people around us to destroy our family, our job, our house, our health, our reputation—to force us to abandon the Lord. We must be discerning about this phenomena with the help of the Church and deep prayer—there are also may be social forces which may affect our personhood and our lives which may be associated with these occurrences that are not diabolical. Discernment is critical.

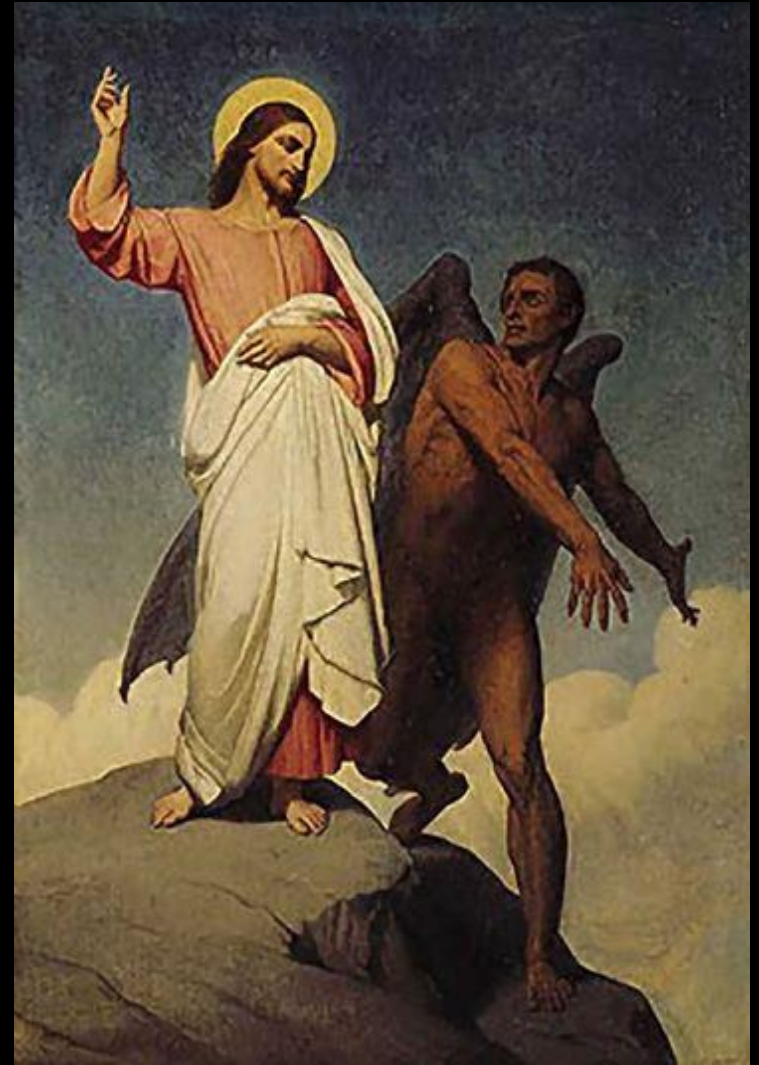

“The faith of a person practically cancels out Satan.”

Thomas Aquinas

One true deadly power in Satan's artillery

✧ Satan fights like hell to keep us sinning and to keep us away from the one who forgives sin.

SIGNS OF SATAN

Fallen Angels after the Fall

PONTIFICAL CROSS OF LUCIFER

This sign is used in the "Satanic Bible", and in "Freemasonry".

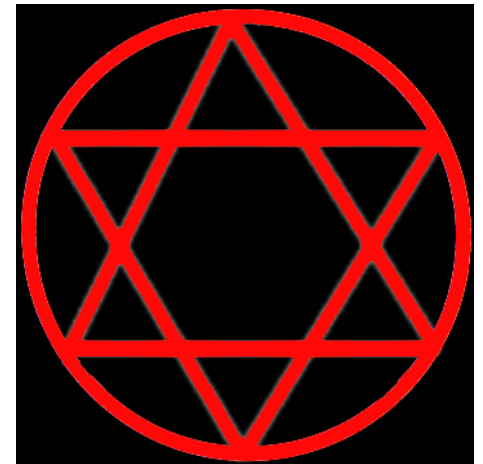

Often used over satanic altars. Symbolizes the inversion of Christian values.

666

666 is the **Mark of the Beast** which is used to identify the acolytes of the Beast.

The HEXAGRAM is the most powerful of all the signs of the occult. It consists of 6 sides, 6 points and 6 smaller triangles, thus 666. The book "Web of Darkness" affirms the hexagram as: . . . the most powerful and evil sign in Satanism and of all the occult world. The hexagram is used mainly in witchcraft to summon demons from the world. The word "hex" which means to place a curse on someone, originated from this sign."

SATANIC TEMPLE ON THE MOVE

© Two years ago, the Satanic Temple announced that they applied to build seven-foot tall statue depicting Satan—with a goat-head, horns, wings and a beard—in Oklahoma’s capital. They made the move in the aftermath of a Ten Commandments monument being installed there. According to a spokesman for the temple, “The statue will also have a functional purpose as a chair where people of all ages may sit on the lap of Satan for inspiration and contemplation.”

CULTS

- ◎ There are 800 Cults in Italy with more than 600,000 followers. Often times ex-Catholic priests have offered themselves in the service of Satan according to Catholic sources in Rome.
- ◎ An estimated 5 to 7 million Americans have been involved in cults. In the U.S. There are 180,000 new recruits each year.
- ◎ Satanic Cults, Psycho Cults and New Age cults have the fanatical compulsion to hijack and profane the Eucharist & Catholic rituals.
- ◎ The People's Temple, the Church of Satan and the Rajneeshees are prominent Cults in U.S. History that have inflicted a loss of life.
- ◎ Cults call upon Satan to manifest through the use of drugs, rituals and sacrifice using menstrual, animal and human blood in their rituals and ceremonies. Consensual and non-consensual vampirism is often present. Phallic worship and sexual perversions are the norm .
- ◎ Cults induce altered states on consciousness and psychosis by the use of drugs and over the shelf medications like cough medicine, antihistamines and muscle relaxants to disinhibit and abuse children .
- ◎ Technology is now be used in Necromancy.
- ◎ Initiation rites generally take place from Sunset to Sunrise often accompanied by sexual orgies, abortion inducement, aphrodisiacs and sexual stimulants.

The Art of Seduction

- I. The Cult Guru's goal is to achieve spiritual, psychological and physical control of the victim to secure economic and sexual power over the victim.
- II. Cult Gurus isolate the victim by depriving their victims of all remaining points of reference and cutting off all escape routes.
- III. The Cult Guru intensifies, suggests and conditions victims with lines of argument solidifying his role as the only person that can give the victim the answers he or she needs.
- IV. Parents, family and church are demonized as threats to the well being of the victim.

The Kundalini (Serpent Fire) in Yoga and Hindu thought has been used by the Occult to awaken clairvoyance or metanormal cognition.

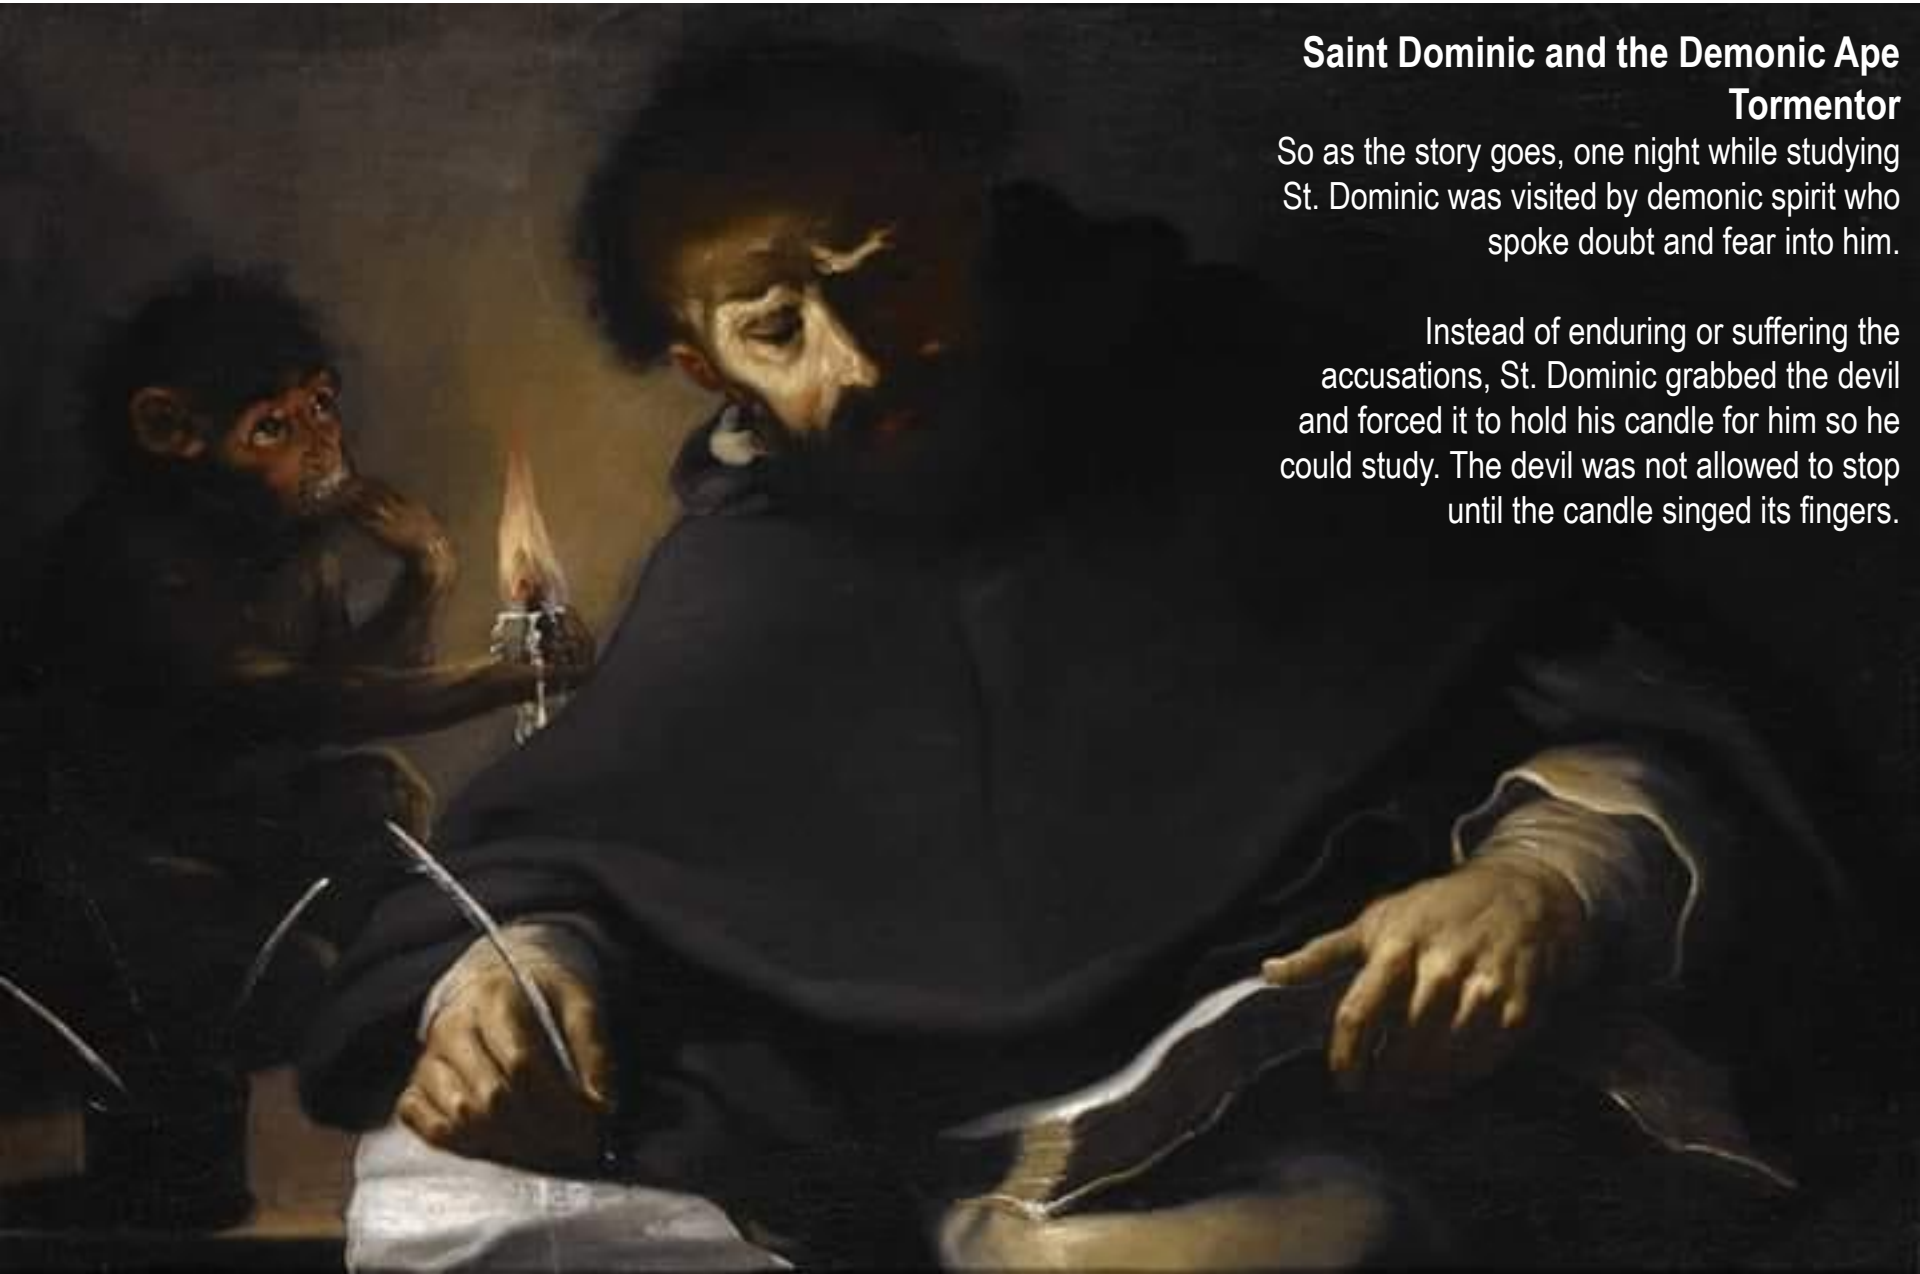

- V. The Victim undergoes varying repetitive rites of purification breaking down all boundaries of morality and destroying their moral compass. The rites may include repetitive diabolical music, light deprivation and sexual assault.
- VI. All conduits of communication to the outside world are eliminated—telephone, television, radio, newspapers etc.
- VII. The victims often prostitute themselves and their children for the Cult Guru.
- VIII. Advanced states of seduction lead to extortion of money, criminal activity and into extreme forms of human abuse.
- IX. John XXIII Community Association in Italy is addressing cults in Italy.

SESSION TWO

Saint Dominic and the Demonic Ape Tormentor

So as the story goes, one night while studying St. Dominic was visited by demonic spirit who spoke doubt and fear into him.

Instead of enduring or suffering the accusations, St. Dominic grabbed the devil and forced it to hold his candle for him so he could study. The devil was not allowed to stop until the candle singed its fingers.

REMAINING IN A STATE OF GRACE

The Threefold Ministry of Jesus

✠ *And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom: and healing all manner of sickness and every infirmity, among the people. And his fame went throughout all Syria, and they presented to him all sick people that were taken with diverse diseases and torments, and such as were possessed by devils, and lunatics, and those that had palsy, and he cured them.*

Matthew 4:23-24

- I. He preached the Gospel,
- II. He healed the sick, and
- III. He cast out demons.

EXORCISM AND THE PRAYER OF LIBERATION

Christ as Exorcist

"Jesus is not one of many ways to approach God, nor is He the best of several ways; He is the only way.

A.W. Tozer

Vade Retro Satana!
Begone Satan!

Let no one be found among you who sacrifices his son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft, or casts spells, or who is a medium or spiritist or who consults the dead. Anyone who does these things is detestable to the Lord. . .

Deuteronomy
18:10-12

EXORCISM

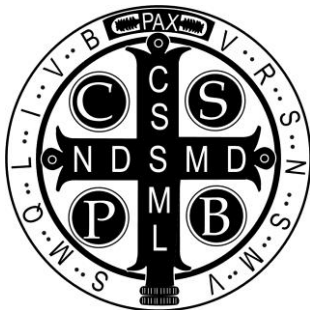

✠ **Exorcism**

✠ **Solemn Exorcism**

✠ **Major Exorcism**

✠ **Imperative Prayer**

✠ **Exorcism is the Rite** in which the Church asks publicly and authoritatively in the name of Jesus Christ that a person or object be protected against the power of the Evil One and withdrawn from his dominion. The four terms on the left are used interchangeably which may confuse a practitioner

✠ Exorcism is directed at the expulsion of demons or to the liberation from demonic possession through the spiritual authority which Jesus entrusted to his Church.

(CCC 1673)

✠ “ (Exorcism is) A word of invocation against the unclean spirit . . . present in the possessed”

(San Isidoro di Siviviglia (7th century).

✠ In exorcism the Exorcist states: I command YOU to go away” when speaking directly to the devil or his demons”.

Ministry of Exorcism

- + The ministry of an exorcist should be carried out in humility and trust . . . Under the strict authority of the bishop of the diocese.
- + A Priest must have a God a given Charism which includes 4 qualities: (1) piety, (2) knowledge, (3) prudence and (4) quality of life (be in good standing).
- + A license by a Bishop to perform exorcism can be orally given but it is better if it is “written.”
- + Exorcism is sacramental.
- + We must put on the Mind of Christ. The devil knows our psyche; he studies us.
- + The most effective form of exorcism(1710) is in the Old Roman Ritual.
- + It is most helpful if the Exorcist builds a transdisciplinary team to include a mental health professional, a Physician and the lay faithful as prayer warriors. This will give him additional diagnostic tools.
- + In Italy, some 500,000 visits are made by 200- 300 exorcists while there are 12 million visits to psychics, wizards, magicians, or witches.

PRAYER OF LIBERATION

*“This power of Christians...demonstrates the truth of Christianity.”
Where Shamans fail, Christians succeed.” St. Justin Martyr*

- **PRAYER OF LIBERATION** is a **PRAYER** invoking God’s power or protection through the intercession of Our Lord Jesus, the Most Blessed Virgin Mary, the Angels and the Saints to be delivered from Lucifer and his Legion. The four terms on the left are used interchangeably which may confuse a practitioner

- **Mark 16:17-18** is the scriptural basis for the **PRAYER OF LIBERATION**
“In my name they will cast out demons . . . Speak new languages . . . Take serpents in their hand . . . Heal the sick.” And Jesus is speaking of those who “believe in me”. It does not say priests or bishops or mystics . . . But those “who believe in me” in general.”

✠ **Prayer of Liberation**

✠ **Minor Exorcism** (used in Baptism)

✠ **Deliverance Prayer**

✠ **Deprecative Prayer**

✠ **Intercessory Prayer**

Ministry of Liberation

1. The Baptized—Bishops, Priests, Deacons among the ordained; Brothers, Sisters, Nuns, Hermits, Perpetual Virgins among the professed and all the Lay Faithful may utilize Prayer of Liberation for private use. All may ask the Lord to do the “freeing.” (e.g., “Lord free this person”). Examples: St. Patrick’s Breastplate, Prayer to St. Michael, Invoking the Holy Name of Jesus.

2. Prayers of Exorcism like the Ritual of Leo the 13th may be used only by the Bishop appointed Exorcist who is a priest of high singular virtue authorized for their specific diocese only.

1. We cannot add or take away words from the formulas to justify the use of the Prayers of Exorcism. The Prayers of Liberation may be modified.

4. What is critical for those doing Deliverance Ministries is “obedience.” Holy obedience to the Church will make all endeavors “more” spiritually successful in virtually all cases.

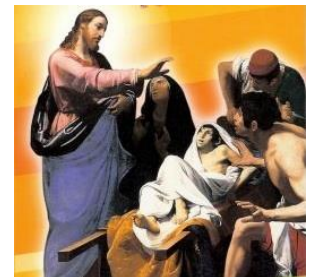

5. Finding: Globally Exorcism is used in 10 per cent of all cases. Liberation is used in 90 per cent of all cases and is 90 per cent successful.

6. Cults are at the service of Satan. These people seek “power” and “future knowledge” or other hidden knowledge and will seek to destroy both the Exorcist and the Liberator .

7. Deliverance Ministry Teams should include:

- Priests and Deacons
- Psychologists and Psychiatrists
- Physicians
- Prayer Warriors of Lay faithful

In both the Prayer of Exorcism and the Prayer of Liberation it is not us that frees but the Lord

In these persistent trials, evil spirits may be at work—healing ministries attempt to address these issues. These include:

- ✠ Healing the Family Tree
- ✠ Intergenerational Healing

Although the devil cannot force people's intellect or will, he has access to the external senses and inferior faculties such as the imagination, the internal senses, and the memory. He can awaken images and stimulate sensations that can affect the human intellect and incline the will toward evil.

INSIGHTS FROM ROME

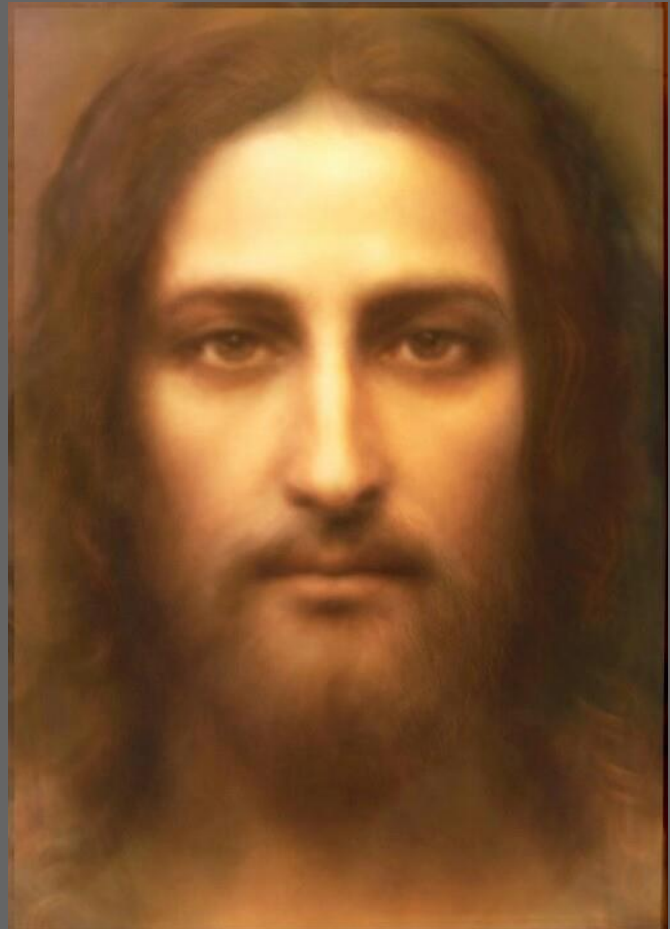

- ✠ Look to Rome
- ✠ Scan for intergenerational sin.
- ✠ Satan speaks with a low voice. Sin speaks to the Sinner.
- ✠ Announce the Kingdom of God and the Devil loses and is defeated.
- ✠ Place crucifix on points of pain or to the heart.
- ✠ The Exorcist or Liberator must **NOT** become a public person or build a personality cult. This is the work of Jesus.
- ✠ Psychotherapy is useful in restructuring the human personality. Satan uses compulsive disorders and other forms of mental illness to infect a person with spiritual afflictions.
- ✠ Guard against sabotage and infiltration.
- ✠ The American Media is actively attacking Christian Tradition in general.
- ✠ The Old Rite is preferred Prayer of Exorcism to assure diagnose with certainty.
- ✠ Exorcist Father Francisco Belmonte does ask “What is your name” to weaken the demon and accelerate liberation.

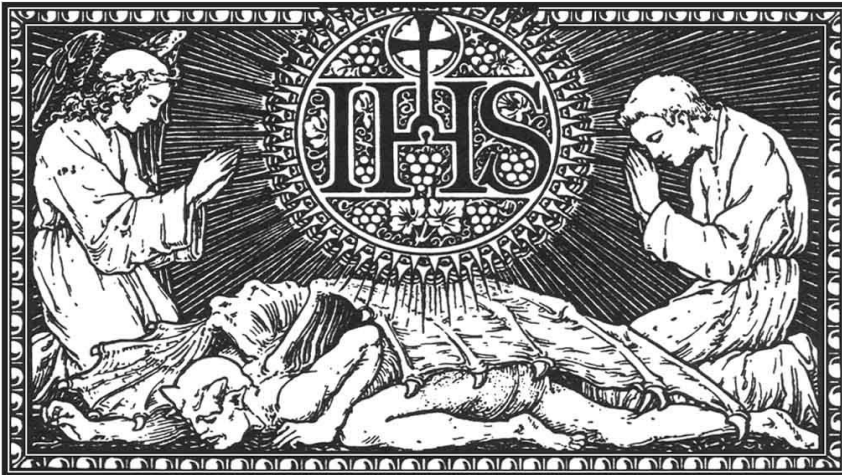

- ✠ Temptations, Obsessions, Possessions, Infestations, Disturbances and Vexations can occur concurrently.
- ✠ Mediums can inflict pain & Wizards can foresee the future
- ✠ Curses and spells are involved in 90 per cent of possessed people.
- ✠ A curse is a recourse to the Devil designed to cause both physical death and eternal death.
- ✠ The Devil can falsify MRI's and medical tests.
- ✠ Recurring dreams can be forms of Obsessions.
- ✠ People use magic to cause an effect when God does not produce their desired wishes.
- ✠ Possessed Tarot Card Readers are particularly difficult to free.
- ✠ The Devil impersonates the Dead—there are NO wandering souls on Earth—only Angels and Demons.
- ✠ Biological life is the means to eternal life
- ✠ Breathe out the Holy Spirit as Jesus did on the Spiritually afflicted.

✠ Flee every work of the devil. Do not listen to horoscopes or oracles of those who speak through magic filters or call on spirits. Avoid excess and sin. Do not use spells when sick. Go to the doctor and not the magicians. Do not spend too much time in doubtful places.
